#### Disclaimer

This transcript has been compiled using information held by the National Centre for Vocational Education Research (NCVER). The information is a collated record of VET training completed through a nationally recognised training organisation and submitted to NCVER.

RTOs provide these submissions to NVCEP on either a quarterly or annual basis. This means that recently completed qualifications may not appear on the transcript until the next submission period falls due. In respect of any such qualifications, the student should provide the testamur or statement of attainment issued by the RTO.

Under section 27 of the Student Identifiers Act, the Registrar may, on request, give a student who has a USI, access to their authenticated VET transcript. The Registrar does not warrant the completeness of information in this transcript. When a student generates their VET transcript, they can choose a full VET transcript or a VET transcript extract (where the student has selected exactly which training to display). The Registrar will have no liability (including in negligence) to any person for any loss, damage, cost or expense (including reasonable legal costs and expenses) incurred or arising by reason of any person using or relying on this transcript.

This transcript contains personal information of the individual student, as identified in section 6 of the Privacy Act 1988. This means that VET transcripts must not be copied or disclosed to any other person without the consent of the individual student.
